Reconstruction of Camp Road

The Town of South Bruce Peninsula has retained a contractor, Keith Snyder Construction, to reconstruct Camp Road from Bruce Road 14 to the end. The work will include tree trimming, culvert replacement, pulverization, and new asphalt paving.

The reconstruction work is expected to commence the week of October 10, 2023 and run for approximately four-five weeks. The road will be open to "local traffic only" for the duration of the construction period with the contractor aiming to keep one lane of traffic open with staff performing traffic control (flagging), alternating lanes of traffic.

A plan is in place should emergency services need to access the closure area.

To report a problem or for further information, please contact Town Hall at 519-534-1400.

Yours truly,

A handwritten signature in black ink that reads "B. Collins".

Brianna Collins, P. Eng.
Director of Public Works

Road Reconstruction starting in October 2023
Camp Road from Bruce Road 14 west to the end
